

Financial Services Guide For Authorised Representatives

1. *What is a Financial Services Guide?*

This Financial Services Guide ('FSG') helps you understand and decide if you wish to use the financial services we are able to offer you.

It provides you with information about our authorising licensee Enspira Wealth Pty Limited "licensee". It also provides information about the Authorised Representatives of our licensee, named below. We collectively refer to Authorised Representative(s) in this FSG as "us, our, we". We are the providing entity and are authorised representative(s) of the licensee. This FSG sets out the services we provide. It tells you:

- who we and the licensee are and how we can be contacted
- what services and products we are authorised to provide to you
- how we (and any other relevant parties) are paid; and
- how we and the licensee deal with complaints.

We may provide you with personal advice that takes into account your needs, financial situation and circumstances. Where we provide you with personal advice we will provide you with a Statement of Advice ('SOA'). The SOA outlines our advice and the basis on which the advice was given. It also outlines relevant information about us, our fees and charges associated with our advice. We are only able to provide personal advice about self-managed superannuation funds ('SMSF'), other superannuation funds in certain circumstances, and a limited class of products as stipulated under our Australian Financial Services Licence ('AFSL').

If we provide further personal advice, you may request a record of the further advice that is provided to you, if you haven't already been provided with it. You can also contact us, using the details at the start of this FSG, within 7 years from when the advice is provided to request this record.

Occasionally we provide general advice. If we provide you with general advice, it may not be appropriate to your needs, financial situation or objectives, and you should consider your circumstances before choosing to proceed with our advice. Additionally, you should obtain and read the applicable Product Disclosure Statement ('PDS') (if one is available) before making a decision.

If we help you establish a SMSF, we may provide you with a PDS. The PDS contains information about the product to assist you in making an informed decision about the

SMSF. It will outline relevant terms, significant risks, and fees and charges associated with the product.

The licensee has arrangements in place to maintain professional indemnity insurance. This insurance satisfies the requirements under section 912B of the Corporations Act 2001.

Please retain this FSG for your reference and any future dealings with us. We may also add documents at a later date which will also form part of this FSG, and these should be read together with the FSG. These documents will include the word 'FSG' in the heading.
